The Committee has been asked by many of our users who stage events throughout the year for the entertainment of the village community, if there was a possibility of having more comfortable chairs similar to those found in other local village halls.

After a positive response to the idea of donating chairs at the Twinning Fete it has been decided to ask the local community, organisations and companies if they would be willing to donate the cost of a chair or chairs. The initial response has been very positive in our aim to eventually replace all the chairs in the Freshfield Hall

The current cost of the chairs is £34.50 each.

If you are a taxpayer we would be able to claim back the tax paid on your donation, which will add 22p to every £1 you donate if you would kindly “gift aid it”. What is more, if you pay tax at the higher rate, you can claim back the difference between the higher rate and the standard rate for yourself.

If you are willing to donate, please would you complete this form or the ‘Gift’ Aid form overleaf and either drop it into the booking office where a chair can be viewed, or send it by post to the above address.
